## Plan Information & Pricing- 2021-22 Frozen Menu

**New Client?** - in order for you to commence receiving meals, one of our engagement coordinators will need to visit you to arrange a quote for your NDIS plan to be approved by your provider- this will be reviewed every 12months. Once your quote has been approved, your meal delivery will commence and you will pay a subsidised rate, with the remaining cost being covered through your plan.

**Existing Client?** - Your plan has been approved for a set amount of meals per week. If you wish to increase the number of meals you receive- please contact your branch coordinator as a new quote will need to be organised and approved.

Your plan can only cover:

Light Lunches (Fresh)

Mini Meals (Fresh & Frozen)

Main Meals (Fresh & Frozen)

You will be required to order at least one of these items from the menu each delivery day.
