## Service Information & Pricing- 2021-22 Frozen Menu

Our service is not just for Seniors, anyone can access our Meals through their local Meals on Wheels Branch. With Nine Branches across Newcastle, Lake Macquarie & Port Stephens, why not let us cook and deliver nutritious meals to your home.

These meals are charged at slightly higher rate, as they are not covered under any government funding body. They are the same great quality meals with the same options- just a different price bracket. To commence service please contact your local branch.
